About the building

Set in the stylish neighbourhood of Marylebone, The Harley Building offers one of the area’s most distinctive and impressive business centres. For offices to rent in London, meeting rooms in London or coworking space London, this address in New Cavendish Street takes some beating. The business centre occupies a prominent corner plot close to Regent’s Park, Great Portland Street and Oxford Circus Underground stations. The temperature controlled building is just 41 minutes from London City Airport and less than an hour from London Heathrow by car. Guests will be wowed by the light parquet-floored reception and stunning light-well. There are many restaurants to take them to, as well as attractions like Madame Tussauds London or the Open Air Theatre in Regent’s Park. Employees will also be attracted by its proximity to Oxford Street, and shops like Liberty London.
