About the building

Your productivity will soar in Sutton Point, an exciting new development which surrounds offices with green spaces, shops, cafes, a hotel and roof garden. By basing your business in this vibrant area, you avoid the congestion of central London while still being able to reach it quickly from Sutton Station, just three minutes' away. When you step away from your laptop, you're only a few minutes' walk from St Nicholas and Times Square shopping centres. There are bus stops on the doorstep, it's just three minutes' walk to Sutton Train Station and the new tramline will stop right outside.
