About the building

Set up shop in One Kingdom Street, home to tech giants Microsoft and a growing business community. When you hop off the train at Paddington station, you can get to the stunning, blue-fronted building in minutes where you can work productively in the recently refurbished, luxury-feel office space. You can even run slick client workshops and team gatherings in the modern, well-equipped meeting rooms. When it’s time to unplug, take a head-clearing stroll along the canal at Paddington Basin. And get away for the weekend easily, with Heathrow airport just a 15-mile drive away.
