About the building

Kick-start your business in Hammersmith Grove, and enjoy flexible office space in a prominent central location in one of London’s key business districts. Get a fresh perspective on your business by collaborating with the many young professionals who work here. Commute easily to your workspace using Hammersmith Underground Station or Glenthorne House Bus Stop, both on your doorstep, and take your ideas around the world with Heathrow Airport just a short 30-minute drive away. Find a long-term base for your business here, or simply plug in your laptop and get your head down for the day. Build your network in 12 Hammersmith Grove, a newly built Grade A office building with strong glazing that lets in plenty of natural light. Focus in open-plan spaces or comfortable meeting rooms, and when you need a five-minute break, stretch your legs on the private roof terrace – or on rainy days, in the breakout/lounge areas found on every floor. Rely on our friendly on-site team, who are always on hand and happy to help should you need anything throughout the workday. After work, take clients or your team out to dinner – the area has a good balance of green spaces, shops and restaurants.
