About the building

Connect with history in Rex House, a striking building that once housed the BBC Radio Studios. Our Rex House centre was built in the 1930s and has been remodelled into a modern, professional workplace. The flexible, fully serviced meeting rooms and office space are complemented by disabled facilities onsite and a 7th-floor roof terrace. The centre is only a few metres away from Shaftesbury Avenue where the best West End theatres can entertain you after work.
