About this space

Fully furnished private offices with staffed reception, high-speed WiFi, cleaning and utilities included, from £21 per person a day (about £639 a month). Office sizes and live availability are confirmed on enquiry.

About the building

These airy serviced offices occupy a prime address, moments from The Shard and London Bridge Station. The News Building was designed by Renzo Piano, The Shard's architect, and also houses The Wall Street Journal and The Times. Piano has created a stunning warehouse-style workspace that fosters collaboration and productivity, with floor-to-ceiling windows, timber ceilings, cosy sofas, bright breakout areas and a modern kitchen area. Just a short hop from Borough Market, you won't be short of lunch options, either.
